June 2018

Brexit: Impact on enforceability of contractual relationships

19 June 2018

In the second of our series of Brexit webinars we look at the impact on enforceability of contractual relationships.

London Webinar

People issues in Life Sciences: Protecting business assets from rogue employees - Cure

19 June 2018

The second webinar on this topic will explore how Life Sciences organisations can effectively respond to threats presented by their workforce that risk their confidential information, intellectual property, key individuals and clients.

London Webinar

FinTech and digital currencies: the European perspective and the regulatory status in Italy

19 June 2018

A comprehensive overview covering a broad range of recent legal and regulatory developments in the FinTech sector. The event is organised by Simmons & Simmons in cooperation with ForbesITALIA.

Milan Seminar

Real estate M&A; wat zijn de fiscale aspecten?

20 June 2018

Beleggers en investeerders kunnen via een asset deal of een share deal investeren in Nederlands vastgoed. Bij de keuze voor het type investering spelen zowel juridische als fiscale aspecten een rol.

Amsterdam Seminar

Tax and corporate reputation: how does it affect your business?

20 June 2018

The aim of the network is to provide junior and mid-level tax professionals with the opportunity to meet and network with their peers. Speakers will offer insights into topics and issues which are impacting the tax affairs of major businesses. It will also provide a forum for members to discuss these topics, raise questions and initiate discussions around other topical issues and learn from one another through the sharing of knowledge and experience.

London Seminar

Mining Masterclass - Mining Finance update

21 June 2018

This event will be focusing on the current options and recent trends for mining finance for both exploration and production assets.

London Conference

People issues in Life Sciences - Contingent/portfolio workers and the Taylor Review

21 June 2018

This session will look at the challenges set for business from the Taylor Review, the business risks and what organisations should be doing now to plan for change and minimise disruption.

London Webinar

Brexit: Impact on UK firms doing business into the EU

26 June 2018

In the third event in our series of Brexit webinars, we investigate the impact of UK firms doing business in the EU.

London Webinar

Zeker van uw zaak: de mogelijkheden van de W&I-verzekering en de laatste trends

27 June 2018

Bij iedere overnametransactie zult u aandacht hebben voor garanties en vrijwaringen die u wilt krijgen of juist moet geven. De laatste jaren heeft de Warranty & Indemnity-verzekering zijn opmars gemaakt als product om het risico van garanties en vrijwaringen af te dekken.

Amsterdam Seminar

- **People issues in Life Sciences - Are you Brexit ready?**

28 June 2018

This session will look at the challenges set for business as a result of Brexit, the business risks and what organisations should be doing now to plan for change and minimise disruption, so that they are ready to leverage their position following Brexit.

London Webinar

July 2018

- **Brexit: Business transformation: impact on branches and other corporate practicalities**

3 July 2018

The fourth of our series of Brexit webinars explores the impact that business transformation has on branches and other corporate practicalities.

London Webinar

- **Brexit: EU firms doing business into the UK**

10 July 2018

The fifth in our series of Brexit Webinars looks at EU firms doing business into the UK.

London Webinar

- **Brexit: Impact on client documentation (TOBs, Training docs): sell-side**

17 July 2018

Our penultimate Brexit webinar explores the impact of Brexit on sell-side client documentation.

London Webinar

- **Brexit: Impact on client documentation (IMAs, Funds docs): buy-side**

17 July 2018

Our final Brexit webinar explores the impact of Brexit on buy-side client documentation.

London Webinar

September 2018

People issues in TMT - Protecting business assets from rogue employees

25 September 2018

This webinar will explore how TMT organisations can effectively manage the risks presented by their workforce to protect confidential information, intellectual property, key individuals and clients.
