

Autumn Legal Update 2018

Join us for our 14th Autumn Legal Update,
for Financial Institutions and Asset
Management & Investment Funds clients.

This day offers you the opportunity to hear about a broad range of topical issues relevant to the financial institutions and asset managers from lawyers across many disciplines.

This year we will be running a **green event** in line with our firm's Corporate Responsibility strategy and our commitment to reducing our impact on the environment. For further information on this, read our [2017/18 CR Review](#).
