Getting the Deal Through: FinTech 2018 was first published by Law Business Research Ltd who have agreed to Simmons & Simmons making it available on elexica. For further information please visit www.gettingthedealthrough.com.

Simmons & Simmons is pleased to have taken on the Contributing Editor role for the FinTech edition of Getting the Deal Through for a second consecutive year. Getting the Deal Through FinTech 2018 answers many of the key legal and regulatory questions that arise for businesses operating in the FinTech sector across 23 jurisdictions. As well as designing the questions addressed in the guide we have authored the chapters for the UK, Belgium, China, Germany, Hong Kong, Netherlands, Singapore, Spain and the UAE.

Getting the Deal Through works with many of the best lawyers and law firms in the world to bring together a unique legal information resource, written by experts on each subject area, in every significant jurisdiction. Its online research platform is used by thousands of law firms, universities, regulators, and corporate counsel at leading multinational organisations as a reliable, first port of call for any legal query worldwide. The series now provides more than 67,000 answers in over 80 practice areas across 150 jurisdictions.

See our article "[Getting the Deal Through: Telecoms and Media 2017](#)" where our TMT experts answer the key legal and

regulatory questions that arise for TMT businesses.
